## FIRST YOUTH NEWS LETTER!!

**Welcome** to the first Newsletter of the Eastwind Jr. High Youth Group. As many of you know myself, Jeremy Cork, and Josh Fife have been leading the Jr. High since last October. We've gotten to know a lot of the kids as well as the parents over the last few months, but I'm sure there are some out there who we do not know or who do not know us. We'd like to get to know you and your Jr.-Higher. Please feel free to approach us and introduce yourself anytime, we'd love to meet you.

In early February, we asked to have a youth parent meeting, so we could put some parents with kids' faces as well as get some contact information from you, the parents. However,

we did not get as many parents as we have kids, so our contact list is pretty short. If you weren't able to make that meeting or didn't get the message about it, we'd still like to get some information so we can contact you. Please stop by and give us a phone number and/or email address. The reason for this contact list is to be able to get in touch with parents for planned Youth Activities and events as well as for you, the parents, to get in contact with us, the youth leaders.

If you have any questions or comment, please feel to call us:

## KUDOS! KUDOS! - MAKE ME PROUD!

### Attention Parents!

### Has your

Jr. Higher done anything to make you extra proud lately? We'd love to hear about it!! Let us know and we'll put something short in the newsletter about their accomplishment.

Like maybe they passed a big test, got their,

um, driving permit, or just cleaned up their room. Find Josh or myself (Jeremy) in church or email us something short and we'll fit it into the upcoming newsletter.

THANKS!

## BOWLIN' BOWLIN' BOWLIN'

## ITS A GOD THING

*One of the many kids we get to work with and share the love of Jesus. Nelly touched the hearts of many during our last mission, 2005.*

## SUMMERS - A - COMIN'!

### Summertime

is on its way! Anybody else excited?

Probably.

One of the best times of the year. Christmas is over, the snow is almost all gone, and temperatures are creeping back up.

That can only be one thing, ok a few things; BBQ's, Camping, and... Mexico. We'll be hearing more and more information about the Mission to Mexico in the coming months. Myself and Josh will be going once again, as well as, hopefully, a lot of people from the church. For those of you who have never been, it is a very life-changing and eye opening experience. You'll get to see how some who are much less fortunate than you and I live. You'll see living conditions that are unheard of, but at the same time, see that love is universal no matter how people live.

You'll get to enjoy

the hot Pacific Sun (and some sweat and dust), the company and fellowship of other Christians, and if you want, some authentic Tamales', but don't ask what's in them.

It's an awesome experience, just ask any number of those who have already been. We are hoping to get some of the youth to go as well. In the area where we work, there are a lot of young kids, and they LOVE to play and they LOVE the attention we give them, it's a huge deal to them and a blessing to us.

If you are interested in going, keep an ear out for updates and information from Mark, or you can ask Jeremy or Josh. When more information is available we'll pass it along. I just wanted to get the word out so that if you feel this is something you may want to do you can be thinking and praying about it.

### HAPPY SUMMER!

*They just want to help us out; packing plywood, cutting 2X4's, or hammering nails, anything to be involved.*

*Some young amigos training for the Ninja Turtles. How much fun is THIS!*
